About us

Bristol University Press is unique.

As a dynamic, ethical, not-for-profit university press, our bold vision builds on Policy Press's longstanding, critically acclaimed reputation as a leading publisher on social issues, guided by a commitment to social justice and respect for diversity.

We are committed to publishing the highest-quality scholarship in the social sciences and aligned disciplines and want our work to make a positive contribution - from the advancement of ideas to their practical implementation.

Introducing our platform

Today the face of research is changing, requiring increasingly flexible, collaborative and interdisciplinary practices and platforms.

We have seen the need to change, and we have responded to it. We are delighted to introduce Bristol University Press Digital: our new digital platform which brings our journals and eBooks together for the first time in one place.

Bristol University Press Digital offers access to:

**2000 +
BOOKS**

**8000+
ARTICLES
ACROSS 21
JOURNALS**

**750+ OPEN
ACCESS
RESOURCES**

Key benefits for users and librarians

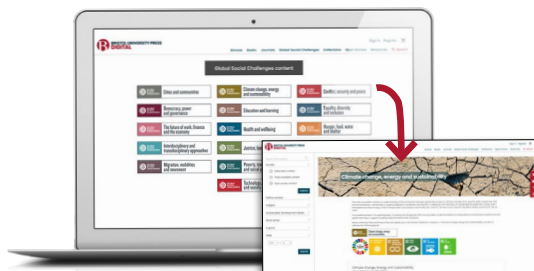

1. A comprehensive social research library that spans 25 years
2. Essential subject-specific collections, regularly updated
3. Home to our open access *Global Social Challenges Journal*
4. DRM-free access
5. Intuitive Access Management System
6. Visually engaging design and easy to browse, cite and share content
7. How-to guides for libraries and their users
8. Key industry standards for accessibility
9. COUNTER-compliant reporting
10. Sophisticated analytics, personalisation and collaboration tools

Global Social Challenges Journal

NON-PROFIT, OPEN ACCESS PUBLISHING FOR CHANGE

Our platform is home to all our open access content, including our not-for-profit, *Global Social Challenges Journal*.

The innovative tagging system we have developed for our platform allows users to search content by our global social challenges themes which are closely aligned to UN Sustainable Development Goals (SDGs). It offers librarians an intuitive way to easily curate content for teaching and research on these themes, while also providing resources to support an institution's strategy or policies related SDGs.

Leading the way for interdisciplinary research beyond academic silos, Bristol University Press Digital is an essential resource for academics, researchers, policy makers and practitioners looking to make real world impact.

Bristol University Press and Policy Press comprehensive eBook and Journals collection

2150+ books including all titles publishing in 2025

Available to purchase as full collection/ frontlist only/ backlist only

If you are an institution that prides itself on having a comprehensive bank of the latest social science research, then access to our entire eBook and journals list is a wonderful opportunity to provide your users with a truly unique collection of award-winning research from one of the UK's leading social science publishers.

This archive includes the unparalleled Policy Press collection, which covers essential fields like Sociology, Social Policy, Public Policy and Social Work, providing a solid foundation for research and teaching in these areas.

Since the establishment of Bristol University Press in 2016, the collection has expanded significantly, adding cutting-edge research across a broader range of subjects such as Politics, International Relations, Urban Studies, Law and Business and Management.

This evolution has deepened the collection's relevance to social science libraries, offering a global perspective and interdisciplinary approach that enriches scholarship.

By subscribing, your library secures access to both the full archive and ongoing publications, with **over 220 new titles released annually** across the social sciences and related disciplines. This ensures that your institution remains at the forefront of emerging research, with comprehensive resources for faculty, students and researchers alike.

Read and Publish agreements

Available to libraries and consortia worldwide, our Read and Publish agreement offers:

Read: Unlimited access to our full journals collection of 8000 articles aligned to UN SDGs

Publish: Uncapped, fee-free Gold open access publishing in 23 hybrid journals

Originally launched in 2022 in the UK as a JISC pilot, our Read and Publish initiative is now available to all institutions globally. This agreement will provide universities with read access to Bristol University Press and Policy Press's full journals collection and enable unlimited immediate open access publishing of the Version of Record for all corresponding authors at participating institutions.

“Our Read and Publish initiative reflects our ethos and mission as a not-for-profit university press; putting integrity before profit to disseminate work which tackles the global social challenges we currently face.”

JULIA MORTIMER, JOURNALS AND OPEN ACCESS DIRECTOR,
BRISTOL UNIVERSITY PRESS

An affordable and equitable offering from a not-for-profit University Press

Transparent and sustainable pricing

Our Read and Publish agreement gives a substantial discount on the subscription prices for our hybrid journals, with all the added benefits of uncapped publishing. This is a single fee paid annually.

Compliant with funder mandates

This deal provides your faculty members with fee-free OA publishing under a CC-BY licence making their work compliant with the strictest of funder mandates.

Streamlined administration

By paying a single fee for subscriptions and OA, you cut out the need to manage multiple budgets and payments.

Easy reporting

We are partnering with OA Switchboard. Its dashboard allows you to monitor the use of the publish element so you can ensure a return on investment.
