

FAMILIES, RELATIONSHIPS AND SOCIETIES

Families, Relationships and Societies is a vibrant social science journal advancing scholarship in the field of families and relationships. Bringing together a range of social science perspectives, it encompasses the fluidity, complexity and diversity of contemporary social and personal relationships and their need to be understood in the context of different societies and cultures.

University of Macerata, Italy

Families, Relationships, and Societies fills an important niche, providing a forum as dynamic as families themselves to enhance our understanding of the vitality and complexity of relationships today. "

Jessica L. Collett,
University of Notre Dame, US
