

EVIDENCE & POLICY

A journal of research, debate
and practice

Evidence & Policy is the first journal dedicated to the relationships between research evidence, policy makers, practitioners and researchers.

International in scope and interdisciplinary in focus, it addresses the needs of those who provide public services as well as those who provide the research base for evaluation and development across a wide range of social and public policy issues.

4 issues per year

ISSNs Print: 1744-2648 Online: 1744-2656
